## Speakers

**Deepak Lalwani** is Director - India with London stockbroker, Astaire and Partners and specialises on the Indian stock market.

- He is a qualified UK accountant by training and was elected a Member of The London Stock Exchange over 20 years ago.
- Deepak also comments on the India story on international television and in the international press.
- He is a Guest Lecturer at MBA programmes at UK business schools.

## Speakers (continued)

**Kevin McCole** is the Chief Operating Officer at the UK India Business Council.

- Kevin joined the UK India Business Council in December 2008, after 18 years with the Foreign and Commonwealth Office.
- His most recent diplomatic posting was as Deputy Head of Mission and Director of Trade and Investment for Eastern India, based in Kolkata.
- Kevin's previous postings were in Malta, Romania and The Netherlands.

**Jeet Jandu** is the UK Trade & Investment Business Specialist for India with over ten years' experience in helping UK based companies access the Indian market.

- Jeet has high-level consultancy experience leading on India market activities, with responsibility for examining and formulating market entry and business development strategies for vertically integrated UK companies.
- He has also been involved in enabling UK companies to enter the high growth Indian aviation market in aircraft handling and airport construction sectors.
- Previously as a Projects Planner, Jeet was involved in the strategic development of large environmental and technical engineering projects.

**Peter Crossley** is a Partner for Gleeds Chartered Quantity Surveyors with over 35 years experience in the construction industry.

- Peter spent his early career at Gleeds working on major housing schemes for Corby New Town and health projects in the East Midlands and Yorkshire before joining our Retail team.
- The larger part of Peter's career with Gleeds has been spent working on their Marks and Spencer account where he was account manager for a number of years.
- More recently, Peter has been actively involved as part of the Gleeds team providing technical and consultancy advice to a major Indian developer who is undertaking a programme of constructing over 200 new township projects throughout India.
